

Dear Parents and/or Guardians,

**Welcome to Indian Mounds!** We are so glad to have you and your family part of our school. We are very proud of our school and we do the very best to provide a positive, stimulating and quality educational experience for your child. Parental/guardian support and close communication are integral parts to the success of a child's learning. We have a strong partnership with our parents/guardians and invite you to become active in your child's education with us. This handbook should be used throughout the school year as a resource for school policies. Please read it carefully, discuss it with your child and keep it in a convenient place for quick reference. Again, welcome to Indian Mounds! If I can be of any help to you throughout the year, please call me, my door is always open.

Sincerely,

*Joan Maland, Principal*

### **SECURITY IN SCHOOL**

We love our parents, visitors and volunteers at Indian Mounds Elementary School! Parents and community members are a significant part of the academic success of all our students. We could not do what we do without you. The parent/volunteer/visitor policies and procedures are not meant to discourage parents and community members from working in our school. They are put in place to ensure the safety of all students, staff and visitors. We need to know at all times who is in our school, where they are and why they are here. Your cooperation is extremely important and very much appreciated.

1. All parents, visitors and volunteers will report to the front office as they enter the school building.
  2. All parents, visitors and volunteers must sign in and wear a visitor's badge, provided by the front office, at all times. This badge will specify what location you are going to and why.
  3. You will only be allowed to visit the area indicated on your badge.
  4. Be prepared to show a picture ID every time you visit the school until the staff knows exactly who you are.
  5. Parents, visitors and volunteers will not be allowed to go to a classroom, unless a meeting time has been previously scheduled.
-

## VOLUNTEERING AT SCHOOL

Parents/guardians are welcome at school and encouraged to take an active part in the education of their children. If you would like to visit or help with class parties/events in the classroom, please contact the classroom teacher ahead of time to make arrangements. To be an effective parent volunteer, it is important you devote full attention to your responsibilities. For this reason we ask that no siblings or children under your care accompany you during volunteer activities at school. If you would like to volunteer in the classroom on a regular basis, please see the information below from Volunteer Connection.

### **VOLUNTEER APPLICATION PROCESS**

**To volunteer you must complete and fax, scan or mail the following forms:**

- Complete the [Volunteer Connection Application](#)
- Complete a background check. After filing the application, you will be invited via email to complete the search online. If you do not have a computer, a release to complete the background check may be sent by mail.
- Upon completion of the application process, you will be contacted to attend an orientation meeting.

Placements are subject to volunteer interests and availability. Placements are contingent on student and teacher requests.

[Click here for tips on being a successful volunteer.](#)

---

## PARENT PICK-UP AND DROP-OFF PROCEDURES

You may have noticed additional signs in the driveway that remind drivers to slow down. Due to several parking lot accidents, we are requesting families to drive with extreme caution in the parking lot and on the streets around Indian Mounds. Remember, this is all being done to keep our students and staff safe.

- \* ***Please drop off and pick up your child curbside only.*** Students will be dismissed when their ride is parked along the curb.
- \* **Vehicles should never be double-parked. The outside lane is for drive through traffic only.**
- \* **A staff member will be directing traffic at dismissal time. Please follow their instructions.**
- \* **When you arrive, please pull your vehicle up to the farthest end of the driveway by 12<sup>th</sup> Ave. allowing for more vehicles to park curbside in the driveway and fewer vehicles waiting in the street.**
- \* **Once your child is safely in your vehicle, slowly pull away from the curb, allowing the driver behind you to pull up to the next vehicle, or the end of the driveway.**
- \* ***If you need to come into the building, park your vehicle in a parking spot in the parking lot and come in the main office. Per the Bloomington Fire Department, vehicles should never be left unattended at the curb.***

## **SMOKING POLICY**

Bloomington is a smoke-free district; therefore, smoking in the school building, on school grounds, and while chaperoning field trips is prohibited.

---

## **THINGS TO LEAVE AT HOME**

We ask students to be thoughtful of others inside and outside the school building. Items that might disrupt class or cause injury should not be brought to school. Only school supplies should be brought to school. If cell phones or other electronic devices (ie: iPads, Apple watches, tablets, etc.) are brought to school they must be left in the student's backpack. If a student is seen with a non-school issued electronic device, for safe keeping it will be locked in the school office and returned to the student's parent or guardian.

We are not responsible for electronic devices that are brought to school. Families that allow students to bring cell phones or other electronic devices, do so at their own risk.

For more information on District Policies regarding cell phones in school click below.

[District School Policy & Regulation 540](#)

---

## **DRESS CODE**

Students should dress in a manner that, in addition to the following guidelines, takes into consideration the educational environment, safety, health and welfare of self and others.

- Obscene language or symbols of drugs, tobacco, alcohol, sexually explicit language or symbols, etc. are expressly prohibited.
- Hats, bandanas, sweatbands, and jackets are not allowed to be worn inside during the school day. Students must keep them on their hooks outside their classroom.
- Students are not to wear short shorts, halter-tops, baggy pants with underwear showing, or shirts with bare midriff or spaghetti straps.
- Students shirts should cover the shoulders, back and midriff area.
- Shoes must be worn at all times during the school day. If possible, students should have an extra pair of shoes available for gym. Snow boots should not be worn during the school day.
- During cold weather, please remember that all students must wear hats, mittens, coats and boots to protect them from the elements. In the event we have snow, students must have snow pants and snow boots.

## **ATTENDANCE POLICY**

### **TARDINESS/ABSENCE**

If your child will be late or absent from school, please call:

### **INDIAN MOUNDS ATTENDANCE LINE**

**952-681-6002**

A recorded message will ask you to state your child's name, teacher name, room number and a reason for absence.

Please state the expected time of arrival if your child is arriving late.

Please notify the school before 8:30 a.m. EACH day your child will be late/absent. Your cooperation helps assure the safety and whereabouts of every student. If we do not hear from you and your child is not in school, the school will contact you to confirm the absence. If there is no answer, a message will be left. Students arriving late to school **must be “signed in” by their parent/guardian** at the school office before going to their classroom. For extended absences, please send a note to the principal for approval. Absences not reported are considered unexcused.

---

## **RELEASE OF STUDENTS DURING SCHOOL HOURS**

If your child needs to leave school early, please send a note ahead of time. **Parent/Guardians must come to the office and “sign out” their child prior to dismissal.** Office personnel will call the student to come to the office. Children will not be excused directly from the classroom.

---

## **SCHOOL CLOSINGS**

In the event that the school may have to close due to inclement weather or other unforeseen reasons, school closings are announced on all metro area television, radio channels and cable channels 14 & 15 district website. Information can also be heard on the SCHOOL NEWSLINE 952-681-6407. School phones are needed for communications among people who are responsible for deciding whether to conduct classes as usual, delay, cancel or dismiss school early. **Determine an emergency plan now with your children so they will know what to do in case of early dismissal due to a snowstorm or other emergency.** Parents/guardians are requested to complete a form indicating their plan of action in such a situation; the classroom teacher keeps this form. This form is sent out at the beginning of each school year. **It is parents/guardians responsibility to keep all information listed in the HUB and Infinite Campus current and up to date in case of emergencies.**

---

## **HEALTH SERVICES**

The school nurse’s primary function is the promotion of optimum health and wellness for students, staff and families. The school nurse monitors attendance, severe allergies, checks on chronic illnesses like asthma, diabetes, and communicable diseases. The school nurse also conducts vision and hearing screenings. Students who become ill or injured at school will receive first aid from the school nurse. If you have any specific concerns regarding the health of your child, the school nurse is available daily between 8:30a and 3:30p.

### **GUIDELINES FOR WHEN TO KEEP YOUR CHILD AT HOME**

- A child with a **fever of 100 or greater** should stay home for 24 hours after the temperature returns to normal without the aid of Tylenol, Motrin, etc.
- A child who has **vomited** or has had **diarrhea** should stay home for 24 hours after the last episode.
- Your family doctor should be consulted before sending a child to school with an **undiagnosed rash**. If you suspect Impetigo, keep your child home and call the doctor.

- In cases of suspected or diagnosed **strep throat**, the child should be kept out of school until the diagnosis is made and/or treatment has been underway for at least 24 hours.
- A child with **head lice** should receive adequate treatment and nits removed from hair.
- A child who develops conjunctivitis (**pink eye**) may not attend school. Treatment must be under way for at least 24 hours.
- All communicable diseases should be reported to the health office.

### LATEX SAFE SCHOOL

In an effort to respond to the increasing numbers of staff and students with latex allergy, all Bloomington Public Schools are latex free. If you have further questions contact the School Nurse at (952) 681-6008.

### ADMINISTERING MEDICATIONS IN SCHOOL

- All medications required by a student during the school hours must be kept securely in the school nurse's office and administered by the school nurse. This includes all non-prescription medications (ie: Tylenol, cough drops, or any other kind of medications). This practice is designed to protect your child and all children at Indian Mounds.
- **NO** medications, including over-the-counter medications, may be administered at school without a physician's order, which must include the physician's signature and be accompanied by a written request from the parent/guardian.
- Medications are to be sent to school in the prescription container received from the drugstore, labeled with the student's name, prescription number, directions for administration, and the doctor's name.
- Medications will not be stored in the Health Office over the summer. Parents must contact the school nurse and arrange for the safe return of their child's medications. Unclaimed medications will be disposed of by the school nurse at the end of the school year.

---

## **DISTRICT HEALTH AND WELLNESS POLICY** **(Snacks and Celebrations)**

The new school year will bring new opportunities for Bloomington Schools, teachers and parents to promote health and learning within the school day. A new district wellness policy provides a consistent approach to promoting all aspects of student health - starting with food, nutrition, physical activity and social emotional well-being.

Research show that healthy habits lead to better learning at school. The guidelines for snacks and celebrations encourage parents to:

- Honor your child's birthday by sending non-food treats such as stickers or pencils.
- Ask your child's teacher what non-food or healthy rewards/incentives they are using in the classroom.
- Become involved in planning seasonal parties that include games, crafts and healthy foods and beverages.
- Participate in brainstorming ideas for healthy, non-food focused school fundraisers.
- Refer to the Smart Snacks in School guide when packing snacks for your child.

Thank you for joining us in giving students healthy options to celebrate important events and achievements. For more information and resources please see the Healthy Schools, Healthy Community web pages:

[www.bloomingtonschools.org/healthyschools](http://www.bloomingtonschools.org/healthyschools)

---

## **EMERGENCY INFORMATION**

- \* If your child becomes ill or injured while at school, it is essential that we are able to contact you. **It is parents/guardians responsibility to keep all information listed in the HUB and Infinite Campus current and up to date.** Should information change during the school year, please make sure to update it on the HUB/Infinite Campus. If we are unable to reach you or your designee during an emergency, we will call 911 for assistance if needed.
- \* Whenever a child's health status changes during the year, it is important that you update the school nurse. Examples of such changes are a new diagnosis of a chronic illness (ie: asthma, diabetes, etc.) or an allergy and those times when a doctor prescribes a new medication for your child.

---

## **STATE AND DISTRICT TESTING**

State law requires that all third, fourth and fifth grade public school students take the Minnesota Comprehensive Tests (MCA's). The MCA measures reading and math proficiency.

During the school year, students in 1st through 5th grades complete the district MAP (Measures of Academic Progress) tests in reading and mathematics. MAP scores monitor growth in achievement from year to year.

For more information/documents please refer to following websites:

[Bloomington District Research and Evaluation](#)

[MN Department of Education State Testing](#)

---

## **BUILDING RULES AND DISCIPLINE**

Indian Mounds Elementary School practices “**Positive Behavior Intervention Strategies**” (PBIS.) Students are expected to demonstrate Safe, Truthful, Accountable and Respectful (STAR) behavior. Each fall, the principal and teachers review behavior expectations with students. We discuss that some behaviors will be dealt with in the classroom but more severe behaviors will be dealt with in the behavior office, typically referred to as the “Quiet Room.”

Indian Mounds follows the guidelines for discipline as stated in the Bloomington Public School Student Conduct Policies and Regulations booklet. Please refer to that booklet for detailed information.

**Please review the enclosed “I.M. STAR Behaviors” Matrix below.**

## DISTRICT TRANSPORTATION

Bloomington Public Schools provides safe and efficient transportation for more than 8,000 students daily. [The School Bus Transportation Guide](#) will provide you with additional important information on how to be a safe bus rider. The brochure provides information on bus rider responsibilities, student conduct and frequently asked questions.

Transportation Center  
 8801 Lyndale Ave. S.  
 Bloomington, MN 55420  
 Phone: 952-681-6300  
 Fax: 952-681-6301  
[transportation@isd271.org](mailto:transportation@isd271.org)

### Bus Routes

#### Eligibility

Bloomington Public Schools provides transportation to the following resident students:

- Elementary students in kindergarten through grade 5 that reside in the school's attendance area and live at least .5 miles from school.
- Secondary students in grades 6 through 12 that reside in a school's attendance area and live at least 1.25 miles from school.

If your child lives in the walk area – less than .5 miles for elementary and less than 1.25 miles for grades 6-12 – your child may be eligible for busing through our [Pay to Ride](#) program. Students may

be able to use the nearest established bus stop outside the walk area of the school once payment has been received.

## Stops

- Elementary (K-5)—Generally, stops will be located at the intersection closest to the center of the geographical location of students who will use the stop.
- Secondary (6-12)—Generally, students will walk from residences on secondary roads to meet buses on primary roads.

## Special Services

The school district provides transportation for special education students according to the child's Individual Education Plan. If you have a child with special needs requiring transportation different from the regular bus services, please work with your child's special education case manager or call our Student Services Office at 952-681-6504.

## Bus Safety

**Bloomington Public Schools wants every student to have a safe and comfortable ride to and from school. Please see the following tips for safety around the bus and our bus safety rules.**

Riding the bus is a PRIVILEGE, not a right. To ensure a pleasant and safe ride, parents/guardians and students should be familiar with the following bus conduct and safety regulations:

Please review [rider responsibilities and safety guidelines](#).

## Bus to School

**If crossing the street or roadway is necessary to get to your bus, follow these procedures:**

1. **If you are on the same side of the road as the bus, wait at least three feet from the road or street surface until the bus comes to a complete stop.**
2. **If you need to cross the street, be sure the red lights at the top of the bus are flashing and the stop arm is extended. Watch for an indication from the driver (e.g., a nod or a hand signal) that it is "okay" to cross. Be sure to check both ways before crossing.**
3. **Cross about five paces or 10 feet in front of the bumper so the driver of the bus can see you.**

## Guidelines

**To ensure each student reaches their destination on time, please review the following tips and guidelines.**

- **Familiarize your child how he/she reaches the bus stop from home and back home from the stop.**
- **Make sure that your child knows his/her address and phone number.**

- For younger students, make sure their name and address are written down somewhere inside their backpack.
- Have your student arrive at the bus stop 5 minutes BEFORE the stop time. The bus may arrive as late as 5 minutes after the scheduled stop time, especially during the first week of school, or when roads are snowy and slippery.
- Please also review these responsibilities and safety guidelines.
- **Once a student is on the bus**, they will be dropped off at their designated stop. The bus driver will not release a student from the bus, even to a parent/guardian, in the middle of the route. If a student needs to go home with another student on the bus, parent/guardian must send a note at least one day prior so the school can inform the bus driver. Students riding on a bus other than their own must have a note signed by their parent/guardian, shown to the teacher/office and then given to the driver.

## My Stop

Bloomington Public Schools is now offering parents and students access to live school bus GPS information. My Stop is a web-based application in which users can view current bus locations and the estimated time of arrival at their neighborhood bus stop. Only students assigned to a bus route are linked to the system.

### To Use My Stop:

1. Log in to the Hub at [bloomingtonschools.org/hub](http://bloomingtonschools.org/hub).
2. On the dashboard, click on the My Stop icon.
3. Enter your Bloomington parent/student username and password and click login.
  1. Work with your school media/tech staff if you have trouble with your parent account information.
4. A map displays the student bus route and current bus location. Select a different student from the dropdown in the top left to switch views.
  1. The most accurate information is available within 15 minutes of your student's scheduled pick-up time.
  2. The bus route and bus position only display when the bus is on route.
  3. When a bus is not yet on route, you will see the student stop but not the bus.
  4. You will see a map showing a portion of your student's bus route. Your child's name will display in the box in the top menu bar.
  5. The yellow arrow represents the current location and direction of your child's bus. The green line shows the portion of the neighborhood bus route where students are picked up or dropped off. The lavender colored line shows the planned route from/to the school to the neighborhood bus route.
  6. The box at the bottom of the map provides system messages and lists the current location of your child's bus as well as the estimated time the bus will arrive at your child's bus stop.

If you have any questions, please contact Transportation at [transportation@isd271.org](mailto:transportation@isd271.org) or 952-681-6300.

## Bus Evacuation Drills

Children will learn bus safety rules and how to evacuate the bus during our annual drill held each year.

---

### FIELD TRIPS

**Purpose:** We believe it is important for students to have the opportunity to experience a variety of learning techniques. Ideas, concepts and curriculum topics that are taught in the classroom are reinforced and enriched through field trips.

**Student Safety:** The safety and security of our students is of paramount importance. In order to provide this safety and security, classroom teachers and/or staff will accompany the students at all times.

**Teacher-Parent/Guardian Communication:** Prior to any field trip, an informational letter and permission slip will be sent home for parent/guardian approval prior to the excursion and should be returned promptly. Field trips are planned to augment the school curriculum. Students must pay entry fees and transportation costs. Field trip money is not refundable, due to the fact that fees are paid in advance of the actual field trip and costs are based on the number of students in class. If necessary, scholarships are available to help with the costs associated with the field trip. Please talk to your child's teacher for more information. **All students MUST have a signed permission form before they will be allowed on the field trip.**

---

### CROSSWALK PATROLS

Fifth grade students serve as our crosswalk patrols. The patrols are at their stations to assist students in the coming to and going from school safely. Students are expected to follow the directions of the patrols.

Patrols are on duty during the following times:

8:35a-8:50a

3:10p-3:25p

There are two locations where crosswalk patrols are located.

1. 98th Street - front of the school
  2. 11th Ave - by bus entrance
- 

### BICYCLES

Only students who are considered walkers can ride bikes to school. All others must have a note from parents. Students are to park their bicycles in the bicycle racks located near the playground. The

school is not responsible for bikes left unchained or unlocked. Parents/guardians are encouraged to instruct their children about safe bicycle practices, including the use of bicycle helmets.

---

## **SCHOOL BREAKFAST AND LUNCH**

Indian Mounds serves breakfast and lunch every day. Breakfast is free to all students. Students may purchase hot lunch or bring a bag lunch from home. Parents/guardians are always welcome to join their students for lunch.

Milk is a required part of the lunch program. For a child with milk intolerance or other food allergies, a written note from the doctor must be on file in the health and lunchroom office. A substitute food item or beverage will be provided.

For information regarding meal prices, menus, payment options, free and reduced forms and information about PayPAMS see the link below.

[ISD 271 Food Service](#)

If you would like to volunteer to help serve breakfast or lunch, please contact our kitchen staff at 952-681-6004. The students love to see adults in the cafeteria!
